Subject: LCP Brunswick OU2 CBA Workplan - Response to Comments
Attachments: LCP OU2 March 2021 Surface Soil Memo EPA Comments 07_07_2021.pdf

Rob & Jim – see attached our response to you 3/29/2021 comments on the Supplemental Site Characterization Work Plan for Operable Unit 2 (CBA surface soil program). As I understand, you prefer to first review/approve the RTC before us then submitting the revised Work Plan and other associated plans. Please note they are completed and available to send at any point.

Best regards,

Kirk Kessler, P.G.
